Subject: Indians Overseas Evacuation Relief Fund.

Sir,

I am directed to forward for information a copy of the Government of India (Indians Overseas Department) letter No.F.143/42-O.S., dated the 18th June 1942.

I have the honour to be,
Sir,
Your most obedient servant,

for SECRETARY TO THE RESIDENT.

ksln.

Copy of letter No .143/42-O.S., dated the 18th June 1942, from the Government of India, Indians Overseas Department, to all Provincial Governments and Local Administrations.

Indians Overseas Evacuation Relief Fund.

I am directed to state that owing to a generous donation from His Excellency the Viceroy's War Purposes Fund, the Department of Indians Overseas now has a special fund of its own for affording assistance to organisations and associations working for the relief of refugees. The fund at present stands at rather more than 4 lakhs.

The Govt. of India are aware that Provincial Governments, Local Administrations and Public charities have contributed generously to the relief of these unfortunate people and have done much to meet their immediate needs. But the circumstances in which they have left their houses outside India are such that assistance will continue to be needed for some time to come though, it is to be hoped, on a steadily diminishing scale. The Government of India therefore wish it to be known that they are ready to afford assistance from the fund mentioned above to non-official organisations carrying on this work. Applications for grants should be accompanied by a statement of the work done and an estimate, with information in support, of probable requirements. It will also be necessary for the organisations in receipt of assistance to submit monthly accounts of expenditure against the grant for the information of the Trustees of H.E. the Viceroy's War Purposes Fund. All applications should be submitted through the Provincial Government or Local Administrations concerned.

I am to request that the Government of ...../you should bring this to the notice of such organisations as they/you may think deserving of assistance and will forward any applications received together with their/your recommentations.
